

## *Parties*

Parties are a relatively inexpensive way of having the **Style & Tone** experience and a great way to get some friends together. You can choose whether you want your party to focus on colour, make-up, style or fashion. They are fun and socially interactive and everyone will receive a goody bag to take home.

Our parties are great for baby showers, busy mums, hen parties or just a social get together.

### **Colour Party**                      **Max 8 persons**

Everyone will learn how to apply makeup and learn their dominant colouring and will receive a colour swatch to take away.

### **Style Party**                                      **Max 8 persons**

Everyone will learn what styles suit their personality and body shape best and how to select styles that flatter and accentuate their good points. A personalised style book for each party guest is included.

### **Make –up Party**                                      **Max 8 persons**

Everyone will learn the latest make-up application techniques and how to take your daytime look to evening, as well as the colours that enhance their natural colourings. A personalised beauty workbook is included for each guest.

### **Seasonal Update Party.**                                      **Max 8 Persons**

Everyone will discover which are the seasons must have trends to follow, how to and where to shop for their style and shape and how they can update their existing wardrobe by accessorising. Each guest will receive a seasonal update booklet with all the information discussed.
